① **Immagine prodotto - Item picture - Abbildung artikel - Image produit - Изображение артикула**

In questa casella è riportata un'immagine indicativa del prodotto non imballato; si precisa che tale immagine è da considerarsi come una rappresentazione grafica non vincolante ai fini delle caratteristiche tecniche del prodotto.  
 This box contains a picture of the unpacked article. This picture is just as an indication, and it is therefore meant as a graphic representation, which is not as worth as a technical report.  
 Auf diesem Kästchen steht eine Abbildung des unverpackten Artikels. Diese Abbildung gilt sowieso nur als eine graphische Darstellung, die nicht verbindlich als technische Daten zu betrachten ist.  
 Ici Vous verrez une image du produit pas emballé. Cette image devra être considérée seulement comme une représentation graphique pas liée aux caractéristiques techniques du produit.  
 В данной графе приводится изображение изделия без упаковки; уточняем, что данный рисунок является условным изображением, не связанным с техническими характеристиками изделия.

② **Codice prodotto - Item code - Kode Artikel - Code produit - Код артикул**

●(A) Il codice articolo è composto da 12 caratteri alfanumerici e deve essere utilizzato per meglio indicare il materiale da ordinare.  
 The item code is composed of 12 alphanumeric types and should be used to mark the ordered material.  
 Der Artikelcode besteht aus 12 alphanumerischen Schriftzeichen und muss zur genauen Beschreibung der bestellten Produkten benutzt werden.  
 Le code article est composé par 12 caractères alfa-numériques et doit être utilisé pour mieux indiquer le matériel qu'on désire acheter.  
 Код артикула состоит из 12 знаков и используется для наилучшего указания изделия в заказе.

●(B) Le due cifre inserite in questa posizione indicano la tipologia di finitura del prodotto.  
 The two digits in this position stand for the type of finish.  
 Die zwei Zahlen auf dieser Stelle kennzeichnen die Ausführung des Artikels.  
 Les deux chiffres qui se trouvent ici indiquent la finition de l'article.  
 Две цифры в данном расположении указывают тип отделки изделия.

③ **Misure prodotto - Item sizes- Maß artikel - Mesure produit - Размеры артикула**

④ **Peso prodotto - Item weight - Gewicht des Artikels - Poids produit - Вес артикула**

In questa casella è indicato il peso del prodotto non imballato espresso in chilogrammi.  
 This box indicates the weight of an unpacked item in kilograms.  
 Auf diesem Kästchen steht das Gewicht eines unverpackten Artikels in Kg.  
 Dans cette boîte est indiqué le poids du produit déballé en Kilos.  
 В этой графе указан вес артикула, выраженный в кг. без упаковки.

⑤ **Portata prodotto - Capacity - Tragfähigkeit - Portée du produit - Максимальная нагрузка**

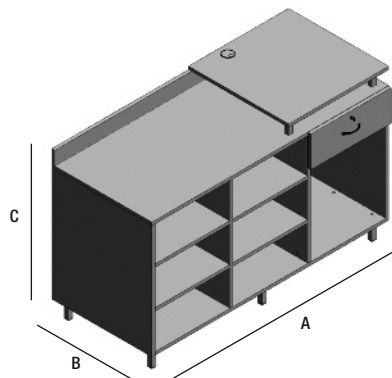

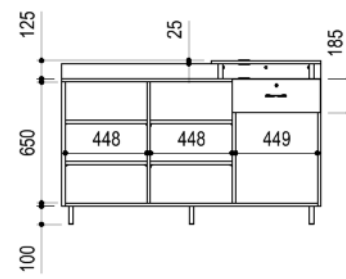

Espressa in Kg. essa si riferisce al peso massimo sopportabile ed equamente distribuito. La portata del prodotto è da ritenersi comunque indicativa e non vincolante per Arthemagroup, che non si assume alcuna responsabilità circa il non corretto utilizzo del prodotto venduto.  
 The capacity, indicated in kilograms, refers to the maximum weight evenly distributed that an item can accommodate. The stated capacity is indicative and non-binding for Arthemagroup, which shall not be held responsible for any damage resulting from an improper use of any sold item.  
 Die Tragfähigkeit – hier in Kilogram – bezieht sich auf das maximale, gleich verteilte Gewicht, dass ein Artikel tragen kann. Die Tragfähigkeit versteht sich als eine nicht verbindliche Richtangabe und Arthemagroup haftet nicht für Schaden, die bei einer unrichtigen Benutzung des verkauften Produkts entstehen.  
 La portée du produit est indiquée en kilos. Elle se réfère au poids maximum et distribué en parts égales que le produit peut soutenir. Elle est toutefois approximative et pas contraignante pour Arthemagroup qui n'a aucune responsabilité sur l'usage pas correct du produit une fois il est vendu.  
 Выраженная в кг, обозначает максимальный вес равномерно распределенного товара. Просьба учесть тот факт, что этот показатель довольно относительная величина и Arthemagroup не берет на себя никакой ответственности за некорректное использование проданного материала.

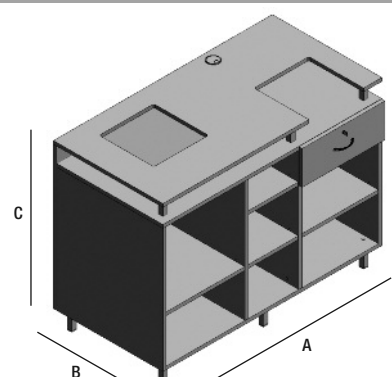

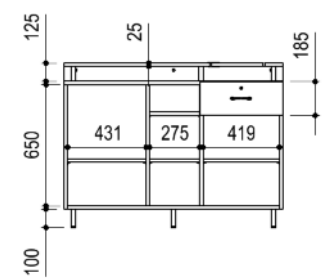

⑥ **Uso prodotto - Usage of the product - Benutzung des Produkts - Usage du produit - Использование продукции**

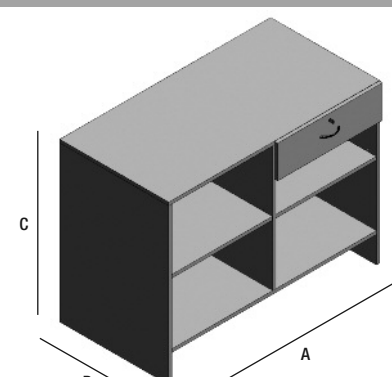

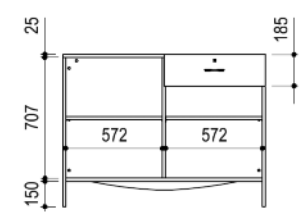

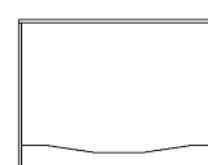

In questa casella è indicato il corretto uso del prodotto sul sistema di riferimento.  
 This box explains how to use correctly the product on its system.  
 Auf diesem Kästchen steht die korrekte Benutzung des Produkts auf das System.  
 Dans cette boîte est indiqué l'usage correct du produit sur le système dont il fait partie.  
 В этой графе приведены советы о правильном использовании соответствующих систем.

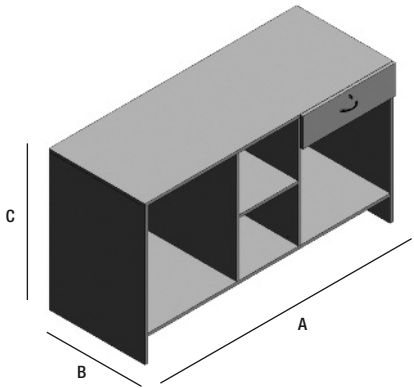

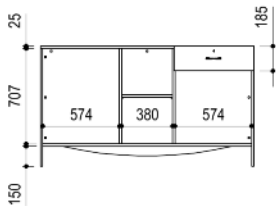

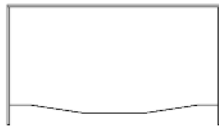

⑦ **Descrizione tecnica del prodotto - Technical description of the item - Technische Daten des Artikels - Description technique de l'article - Техническое описание артикула**

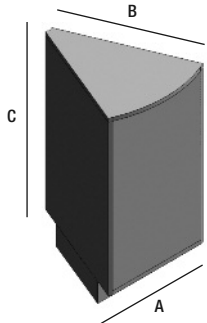

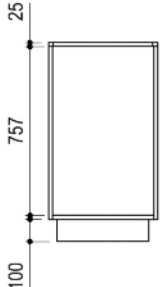

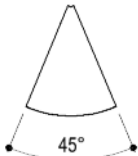

In questa casella è riportato il TYPE del prodotto ed anche una breve DESCRIZIONE dello stesso. Occasionalmente è possibile trovare anche la dicitura "F.S." seguita da un numero/signa che rappresenta la sola finitura di serie per quel type.  
 Here you can find the Type of the item and a brief description of it. Occasionally it's possible to find the inscription "S.F" as well followed by a number/mark representing the only standard finishing for that type.  
 Auf diesem Kästchen wird der Artikeltyp mit dessen kurzer Beschreibung eingeführt. Eventuell erscheint die Abkürzung "S.F." auch vor einer Anzahl/Kennwort. Diese Anzahl stellt die einzige Standardausführung für diesen Typ dar.  
 Ici Vous trouverez le TYPE du produit et aussi une brève description du même. De temps en temps il est possible de trouver la forme "F.S." aussi, suivie d'un nombre/signa qui représente la seule finition de série pour ce type-là.  
 В данной графе указывается ТИП артикула, а также его краткое описание. Иногда можно увидеть надпись "С.О.", за которой следуют другие сокращения, которые означают единственные возможные серийные отделки для данного типа.
