GIOIELLO SECONDO è la collezione che fonde la tradizione scultorea più classica con il dinamismo e le forme particolareggiate dei moderni busti da esposizione. I colori proposti: bianco titanio, granito antico, granito nero e rosa naturale richiamano la tradizione e interpretano lo stile.

GIOIELLO SECONDO is a line of dummies combining classical tradition with dynamism through detailed lines which represent the main characteristics of these modern busts. This line's range of colors is titanium white, antique granite gray, black and skin pink confirming that tradition and style always go together.

GIOIELLO SECONDO verschmilzt auf harmo-
nische Weise klassische Tradition mit dem
dynamischen Design moderner Büsten. Die
angebotenen Farbtöne Titanweiß, Granit
Antik, Granit Schwarz und Rosa Natur brin-
gen diese gelungene Kombination zum denk-
bar besten Ausdruck.

GIOIELLO SECONDO est la collection qui se
base sur la tradition de sculpture la plus clas-
sique avec le dynamisme et les formes parti-
culières des bustes d'exposition modernes.
Les couleurs proposées : blanc titane, granité
antique, granité noir et rose naturel rappel-
lent la tradition et interprètent le style.

GIOIELLO SECONDO – это коллекция,
объединяющая традиции классической
скульптуры с динамичностью форм
современных экспозиционных торсов.
Предлагаемые цвета – серый, черный,
розовый гранит и белый – отражают
традицию и подчеркивают стиль.
